This year is the twelfth year that this scholarship has been in existence. In past years the Scholarship Committee was extremely proud to be able to award multiple students from Steinert, Ewing, West Windsor, Stuart Country Day, Notre Dame High School, The Hun School, Villa Victoria Academy, and Nottingham High Schools the opportunity to attend the three week program in Ireland. To help us continue with the success of this scholarship, we hope that you will encourage any students who may be interested in attending the program to apply for this scholarship.
